PLAN A. Often referred to as the “Peace Of Mind” Plan; guarantees Residents to receive three meals a day Monday – Friday along with a brunch and dinner meal on Saturday and Sunday. Ideal for weekend Residents.

PLAN B. Similar to Plan A, this plan guarantees Residents 15 meals to use throughout the week and is ideal for the student who might only eat two meals a day or goes home on the weekends.

PLAN C AND D. These two plans offer Residents complete control on how and when they spend their points. These plans work like a debit card; what ever the student spends is deducted from the amount they are given at the beginning of the semester. Residents are responsible for budgeting their own points in order to have a sufficient amount for the entire semester.

PLAN E. (New Residence Plan) This plan is available only to those students living in the new dorm for the 2009 - 2010 school year. The plan offers increased flexibility through a combination of meals and bonus dollars.
