PianoDisc ~ Roland digital Pianos
And more

RHODE ISLAND
COLLEGE

During the past 9 years, Rhode Island College has had the benefit of using new pianos through a special arrangement with KAWAI and Avery Piano Company. This association has provided our students and faculty with quality instruments to complement education and performance programs.

I am pleased to announce this exceptional opportunity that will allow you to purchase these or other pianos at significant savings and at a price available only to alumni, faculty, staff, and friends of Rhode Island College.

The success of this piano sale ensures the longevity of this program. Your support is greatly appreciated.

Robert Franzblau
Assistant Chair
Department of Music, Theatre, and Dance
